Graphic Design Services

JAYTECH SUPPLIES LIMITED is a full-service digital marketing agency in Kenya, and we're also one of the top graphic design firms because we're drawn to projects that challenge our creativity and get us thinking outside the Cave.

That is why developing a professional image and eye-catching materials is an essential part of an effective marketing strategy. Our design team works collaboratively to give your company an eye-catching brand to put you ahead of your competitors. From logos to print work to packaging, we deliver inspired, effective, intelligent work for your brand.

Logos & Branding

The logo is a visual first impression for your brand. We've perfected the process of building unforgettable logos and branding.

Print Design & Advertising

We'll make sure that your print personas - from brochures to invitations to rack cards - communicate your message and convince your customers to return.

Presentation Design

Whether you're making a big pitch to land a new client, managing a training or leading a seminar, we'll make your information impactful and visually compelling.

Our designs are:

Creative • Beautiful • Thoughtful • Researched • Effective • Compelling • On Time

Custom Items for All of Your Promotional Product Needs

Whether you're promoting your brand or showing appreciation to customers or employees, we can help you choose the perfect custom products to get the job done on time and on budget.

SERVICES & SOLUTIONS

The success and backbone of a product oriented industry is determined by the strength and performance of its services. The package that conceals the entire product range is not complete until relative services that equate demand for the same products are fulfilled.

- IT Networking and Network Support Services
- IT Hardware and Software Support services
- Annual Maintenance Contracts Services
- Website development, Domain registration and web hosting
- Software Design, developments and user training sessions

COMPUTER & PRINTERS ACCESORIES

Having realized the potential relative to quality of different brands, JAYTECH SUPPLIES LIMITED centralized their focus on the full range of Products. The strength of this decision was based mostly on the readily available support from the manufacturers besides the strong and stable performance.

The following are all the products that we deal in:-

- » Servers and Server Accessories
- » Computers and accessories
- » Laptops and accessories
- » Mobile solutions
- » Power backups
- » Networking equipment and accessories
- » Printers and accessories
- » Projectors
- » Software design, development and Installations
- » Maintenance, repair and service
